A = Allowed: Use or activity allowed where they compliment or are compatible with the dominant resource category values.

S = Secondary: Use or activity allowed where no other reasonable alternatives exist and they do not conflict with the dominant resource category values.

n = Use or activity generally not allowed. A recreation use or activity may continue where the use or activity pre-dated designation of the dominant resource category.

- = Activity or facility is an integral component of the dominant resource category.

(1) Pets not allowed in some Wildlife Management Areas.

(2) Timber Management allowed only where permitted by deed or statute.
